

Dear Friends of Alitex

Since Alitex took over the reins at Marston & Langer, we have seen many challenges, but the events of recent weeks are unprecedented. Because of this I just wanted to explain to you our current position and thinking.

As the situation with Covid-19 continues to evolve rapidly we have taken the necessary steps to ensure that as many of our team can work remotely and service your enquiries as normally as possible in the circumstances.

We are therefore able to send you electronic brochures and colour cards and arrange remote sales calls where our sales team can help you with a full meeting via video or phone conference. We have however taken the decision to pause site installations and face to face sales visits for the time being.

Please feel free to contact us via email enquiries@marstonandlanger.com if you can't reach us by phone and we will endeavour to call you back as soon as possible.

I would like to reassure you again that as a well-established family business we are in a strong position to weather the storm in these unprecedented times and are already working on plans to accelerate work to catch up on delayed work once it is safe to do so.

Many thanks,
Tom Hall, Owner & Managing Director
